

The First Form Draft for Partnership and Purchasing Shares

Marco Polo Tourism Development Company (PJS)

Aiming at developing tourism in Iran and utilizing the experiences obtained as the first wholesaler of tours in the country, Marco Polo Tourism Development Company was established as the first travel holding in 1388 / 2009 with the efforts made by a group of experts and pioneers and the support of the Respected Vice President and the Manager of Iran Cultural Heritage, Handicrafts and Tourism Organization.

Objectives:

- Making the enthusiasts about developing tourism industry involved in the profession and participating, actively and effectively, in the world market to attract tourists;
- Expanding the domain of shareholders to the public and playing the role of a travel holding in a way that all shareholders' interest is achieved;
- Creating a synergy and cohesion via investing in different sections of tourism industry like investing in developing tour operation activities, producing and offering new tourism products, investing in training and research and developing Iran touring services, offering ground and air transportation services, providing e-tourism services, utilizing tourism regions and constructing chain hotels.

The interested investors can play a vital role in developing the tourism capabilities via investing and purchasing the shares.
